

# Baxter Wood-Look Metal Seating

A modern classic collection,  
crafted for demanding environments.

## Introducing the Baxter Wood-Look-Metal Seating Collection

Designed for long-term care, senior living, and hospitality environments, the Baxter Collection delivers the beauty of wood with the unmatched performance of metal.

Crafted with warm, wood-look finishes and crisp, modern lines, Baxter offers a refined residential aesthetic—while standing up to the demanding needs of high-use spaces. Combined with cleanable, healthcare-grade upholstery options, this collection makes it easy to create welcoming, durable, and safe environments.

### Why Baxter?

- Wood-look metal frame = the elegance of wood with superior durability
- Easy-clean, healthcare-ready materials
- Lightweight, comfortable, and thoughtfully designed
- Coordinated collection: dining chairs, side chairs, arm chairs, barstools, and counter stools
- Ideal for senior living dining rooms, hospitality lounges, cafés, bistros, and multi-use spaces

Transform your space with seating that's built to last—and designed to impress.
