

## WIPEABLE, DURABLE, AND EASY TO CLEAN

### **EVERGUARD** Benefits

**EVERGUARD** fabrics feature a plant based, stain resistant finish that repels liquids and most stains.

Clean in place. **EVERGUARD** privacy curtain's unique finish allows you to easily wipe away most fluids and stains.

Made without the use of Polyethylene or PFAS chemicals, **EVERGUARD** privacy curtains are launderable, and recyclable.

Passes NFPA 701.

\*All components are Healthier Hospital Initiative compliant

Change the way you clean privacy curtains with a wipe. **EVERGUARD** privacy curtains are engineered to resist stains and repel liquids.

- Stain and liquid repellent, making it easy to clean in place.
- Spend less time replacing soiled privacy curtains and save money on laundering.
- Designer inspired patterns that are on both sides of the curtain.

### **WITHIN REACH AND EVERGUARD**

**EVERGUARD** privacy curtains are easy to wipe clean but for those times when you do need to launder them, the **WITHIN REACH** snap panel system allows you to change out soiled panels for fresh in minutes.

Standard sized 66" panels fit throughout your facility, reducing misfits, storage, and the need to ladders or special tools.

Contact your Phoenix Representative today to discuss how adding **EVERGUARD** privacy curtains can save you money and request a swatch or demonstration.
